Dear Chris,

Thank you for all you have done to help achieve our goal for finding the right buyer for Empire Photography and helping us move forward to an enjoyable retirement.

We enjoyed working with you and appreciated all your insight and knowledge throughout the process of finding prospective buyers all the way to closing our deal. Also, being small business owners, we appreciated how easy you were to work with and how clear and consistent the communications were. You kept to our timeline of having the transaction done within one year and kept us calm and levelheaded during what can be a stressful time.

We would highly recommend PPC to any business owners looking for advisors to help them achieve their financial goals.

Sincerely yours

Mark and Maggie Smith
